

Congratulations! Course wrap-up

Now that you've finished the course challenge, you're officially ready to move on to the next course. Nice. Before you move on though, I'd like to thank you for joining me in this course and taking on this learning opportunity. Learning should be a lifelong pursuit, and the work you put into learning opportunities like this class will make you better at anything you choose to do. You have come a long way from the first videos in this program. Take a moment to celebrate your progress and everything you've learned. After that, head on to the next course.
