Congratulations on completing the seventh course in the Google Data Analytics Certificate. You're almost at the finish line—amazing work!

Now, it's time to act on all of your exciting new knowledge and experience by completing the capstone project. This end-of-certificate project brings together everything you've learned throughout this program through a data analytics case study. This portfolio piece can really help you stand out during your job search, so keep up the momentum and proceed to the next course now!

Simply click the [Google Data Analytics Capstone: Complete a Case Study](#) link to begin your exciting capstone adventure!
