

Did you complete a case study?

1. We hope you were excited about the opportunity to complete an optional case study! It's a great way to showcase your new data analytics skills to potential employers.

1 / 1 point

Please let us know whether you completed a case study; you'll be able to proceed with the course either way!

- ☐ Yes, I completed a case study.
- ☒ No, I skipped the case study.

Nice work

Choosing to skip the case study will not prevent you from receiving your certificate. If you change your mind, you can always do the capstone later! These materials will continue to be available to you after you complete the certificate.
